

Definitions:

***Vigil:** This is a special time for families to be with their loved-one after death, sometimes in a home-setting, Vigils or wakes will differ in nature and duration according to a families' belief system.

****Reverent Body Preparation:** This is gentle, non-invasive, natural care of your loved-one at death. TNF uses only eco-friendly products including pure essential oils. Our staff approach the care of the deceased as if your loved-one were one of our own. We honor all beliefs and incorporate your wishes in how we perform this aspect of death care.

- **We will never oversell.**
- **We strive to provide the most natural options.**
- **Our goal is to offer exquisite personalized care.**

These off-site services are available during the addition of disabled accessible bathrooms and parking at our Living Arts Center in Lafayette, Colorado (not at this time open to the public).

Our range of offerings will expand once this work is complete to include other holistic services and natural products and resources.

General Price List for Select Services

currently available off-site during addition work at our Living Arts Center in Lafayette, Colorado.
